Washington 98110

# John F. Adams, B.A., A.A.S.

## OBJECTIVE

To make a positive contribution using my extensive art and graphic design background through working with people committed to creative excellence in their life and work

## QUALIFICATIONS

Over 20 years experience as a graphic designer / illustrator

Expert in Adobe Creative Suite using Illustrator and PhotoShop

National award-winning watercolor artist

Full-time Mac user since 1998, designing a complete range of professional marketing collateral

## PROFESSIONAL EXPERIENCE

Six years experience as designer and technical illustrator for environmental and geotechnical engineers. Emphasis on creating "to scale" drawings and document layouts requiring the highest level of accuracy and attention to typographic detail

Five years experience as graphic designer and illustrator for 24-7 EMS, a nationally certified video training program for EMS responders. Work included all aspects of print and web production

Graphic designer for First Sundays series of concerts since 2002

Instructor of Graphic Design at Seattle Central Community College

Over 20 years experience marketing paintings, prints and greeting cards through galleries and fine retail stores
